Thank You So Much!

I hope you and your little one(s) enjoy the contents of this program as much as we enjoyed producing them for you. I know there are lots of other children's products out there to choose from so I can't thank you enough for buying from Rock Rhythm and Rhyme.

And to show just how much I value your decision to buy from us, I've included this special link to some **free stuff** for your kids. This special link is secret, so it's protected by a password and isn't available to anyone except our customers. The password is havefunlearnmore.

One last thing

If you have an extra minute or two, I **would really appreciate hearing what you and your kids think about our products.** You can leave a comment on the website comments page, or if you'd rather reach me privately, just shoot me an email at mike@rockrhythmandrhyme.com. I read every single comment and email, so don't hesitate to stop by and say hello!

Thanks for reading,

Mike
