Here we go.....

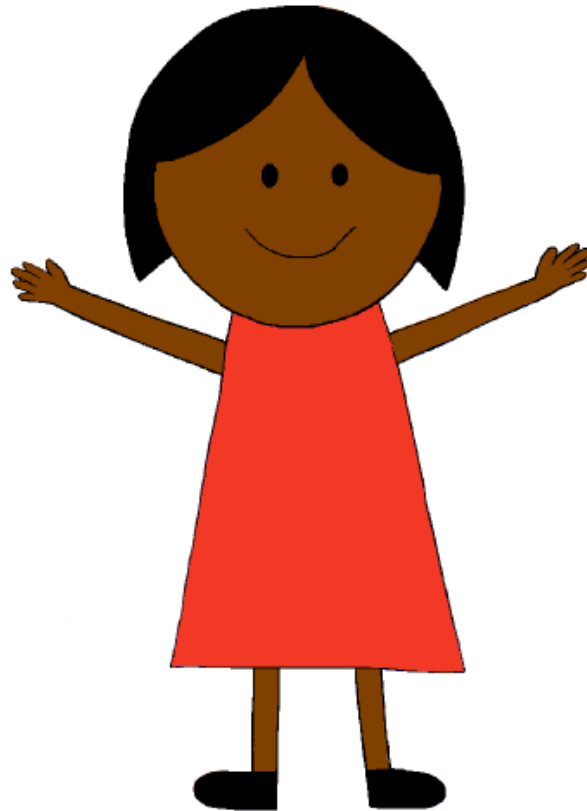

I'm hanging with my friends in a
casual way

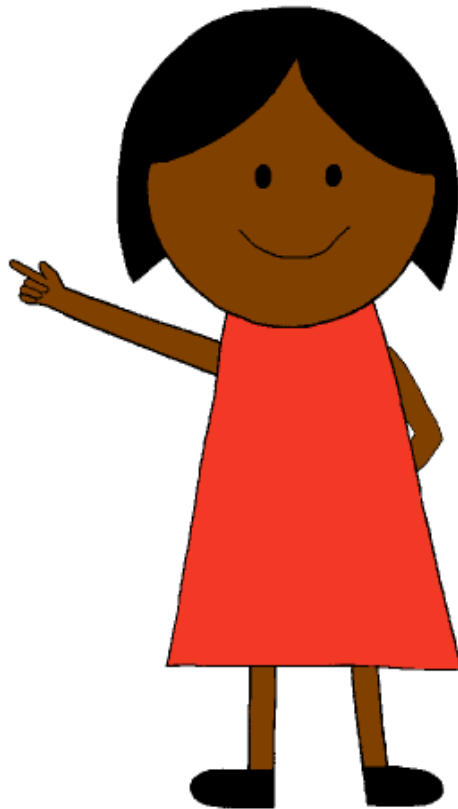

We're snacking on some Goldfish
enjoying the day

When here comes little sister and
she's looking real pleased

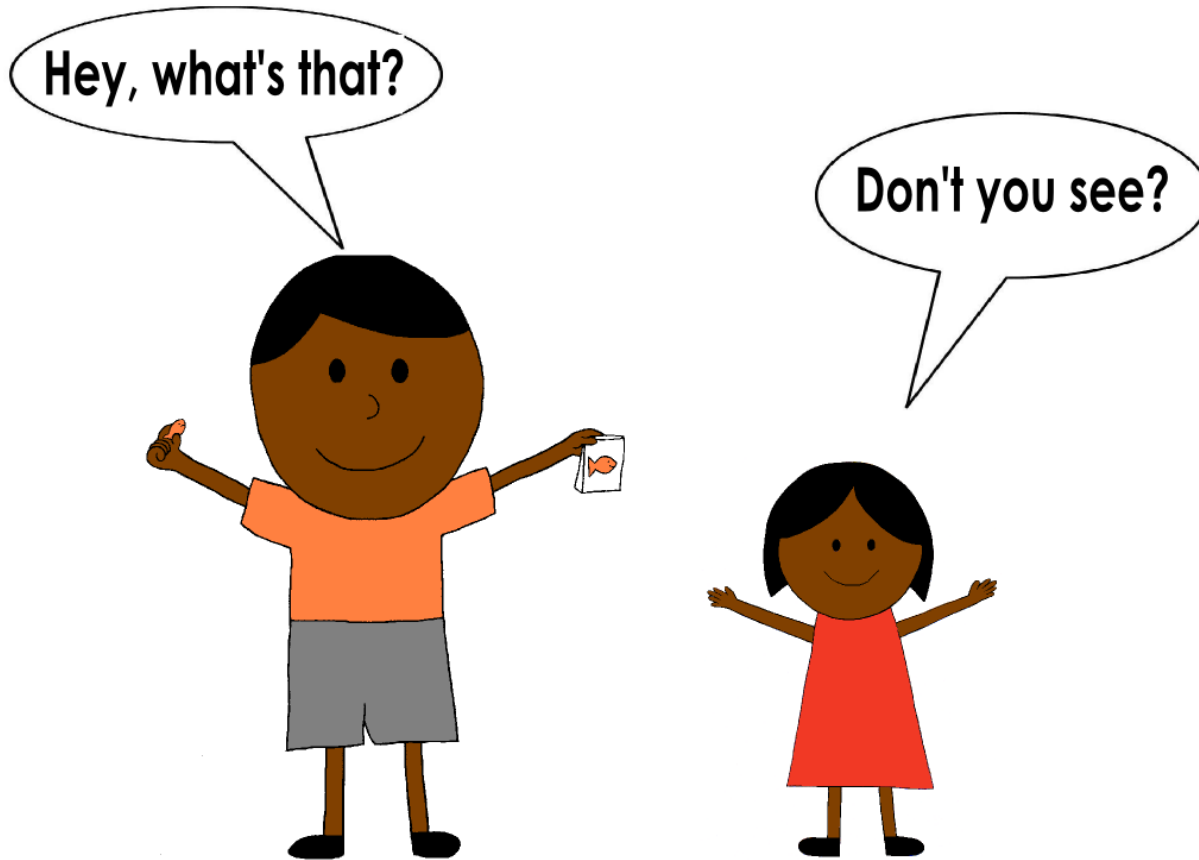

Cause she's pointing at my snack
when she says to me

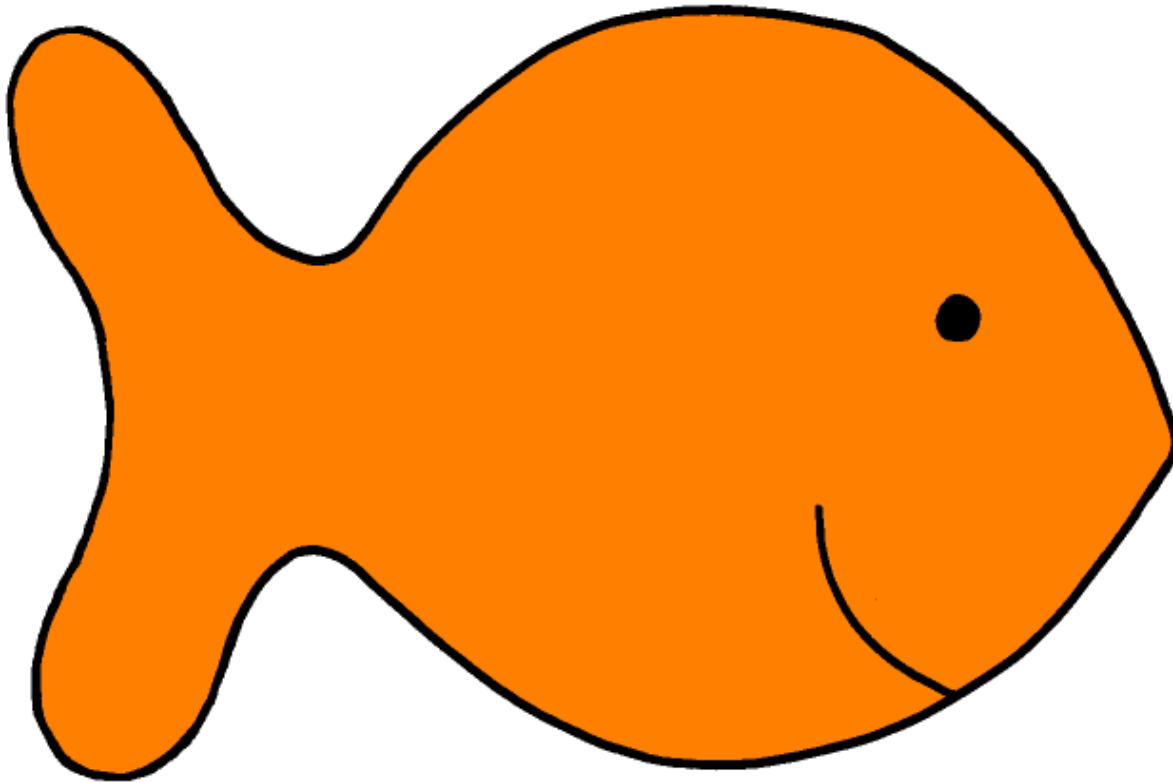

orange

I said hey what's that she said don't
you see ?

That's how you spell the color of
your Goldfish see

That's how you spell **orange** now
spell it with me
