Here we go.....

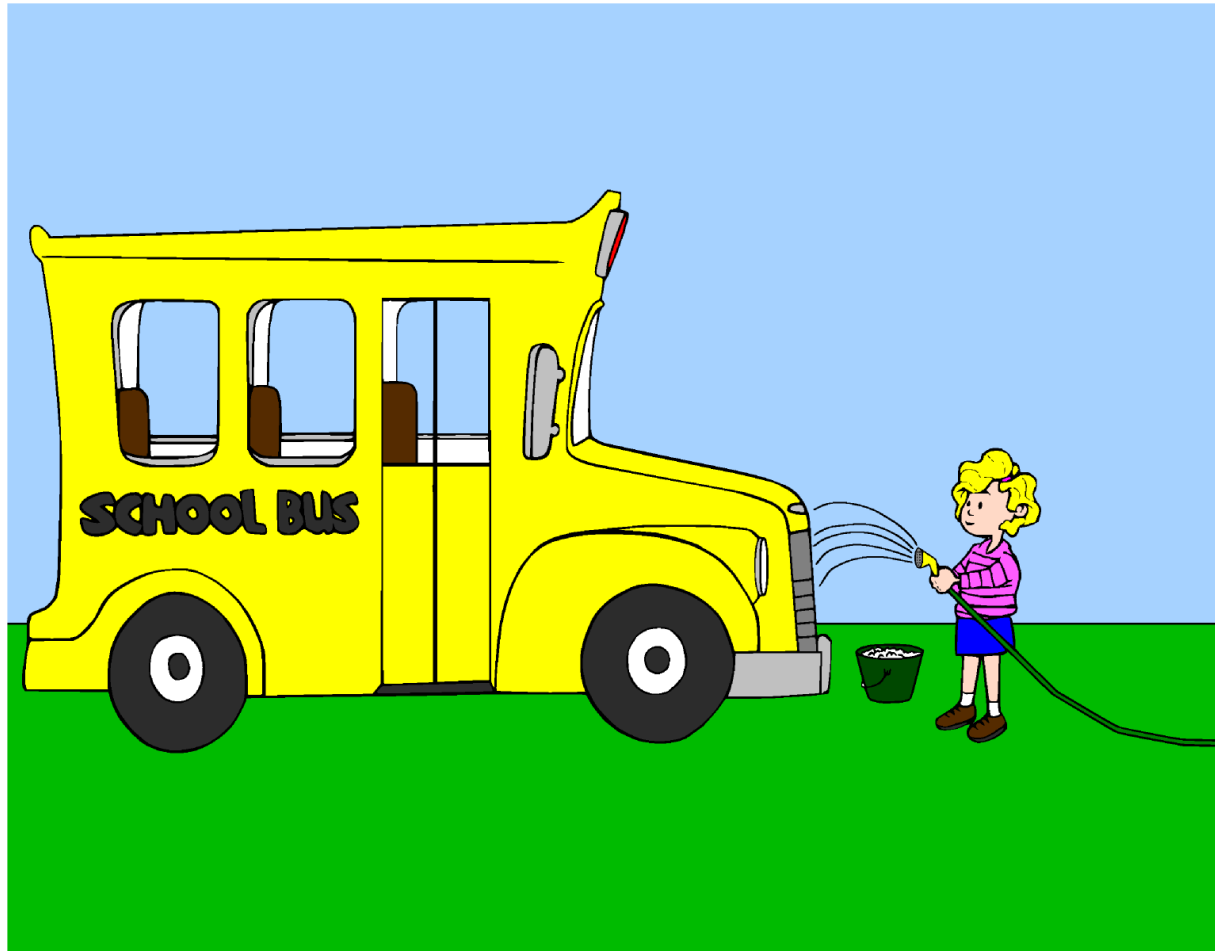

Last night when I was fast asleep  
I had a funny dream

I drove a yellow school bus

and I always kept it clean

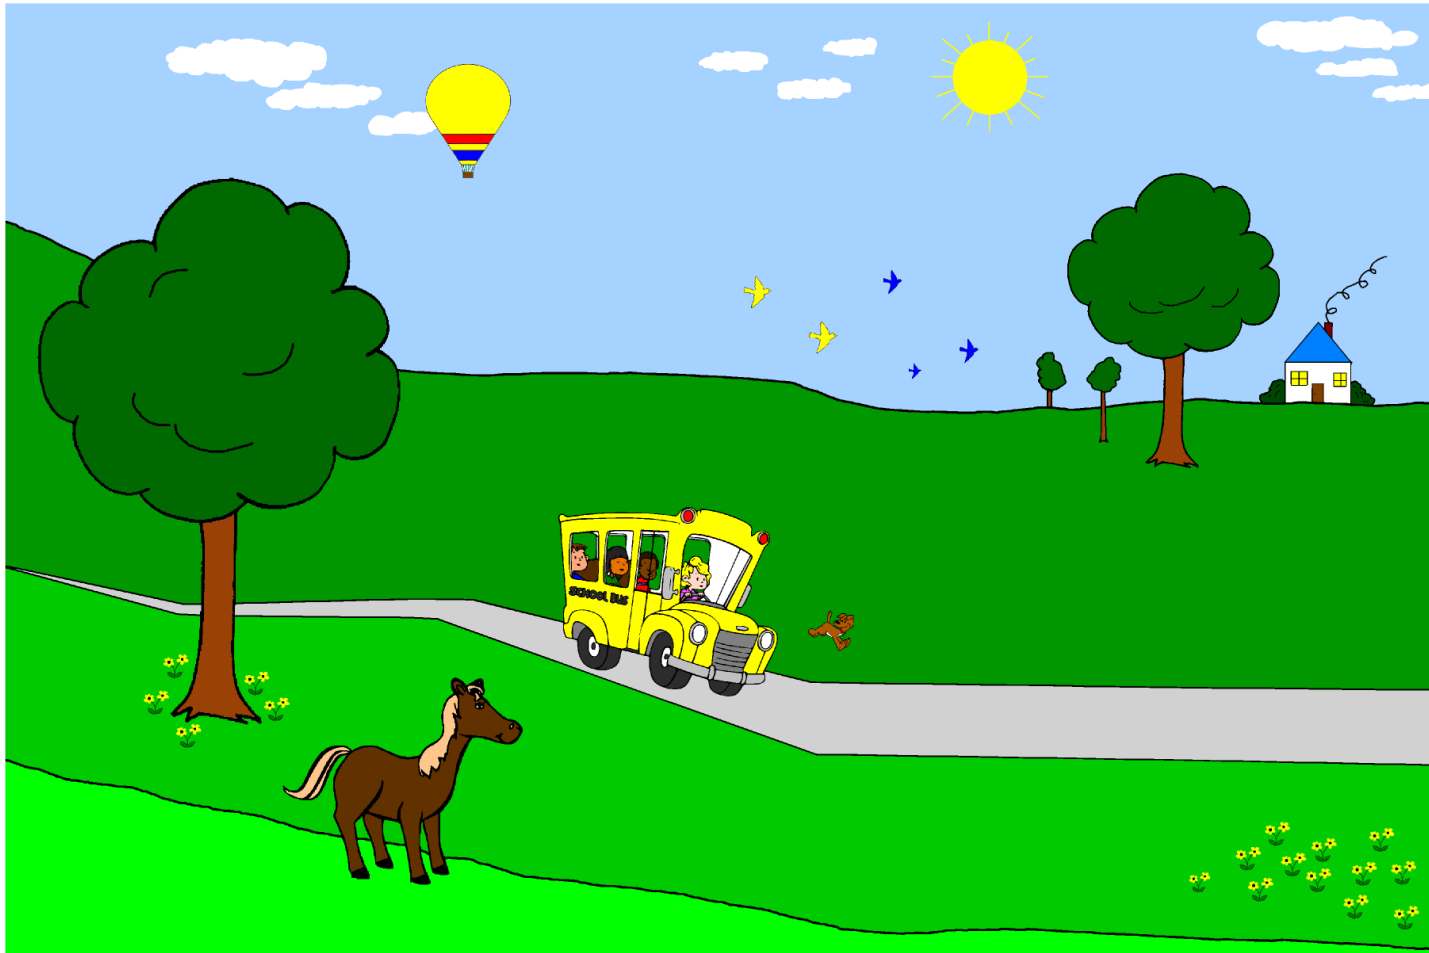

All my friends were on my bus

we traveled high and low

And when we traveled far enough  
we all had great big bowls

of yellow jello

In my dream my yellow bus could fly  
just like a plane

We flew so high we flew so fast

we flew as far as Spain

We called out buenos dias when  
we landed in the shade

And then we had a picnic and we  
made some lemonade

with yellow lemons

# We flew our yellow bus back home

and got there just in time

A yellow moon was shining way up  
in the night time sky

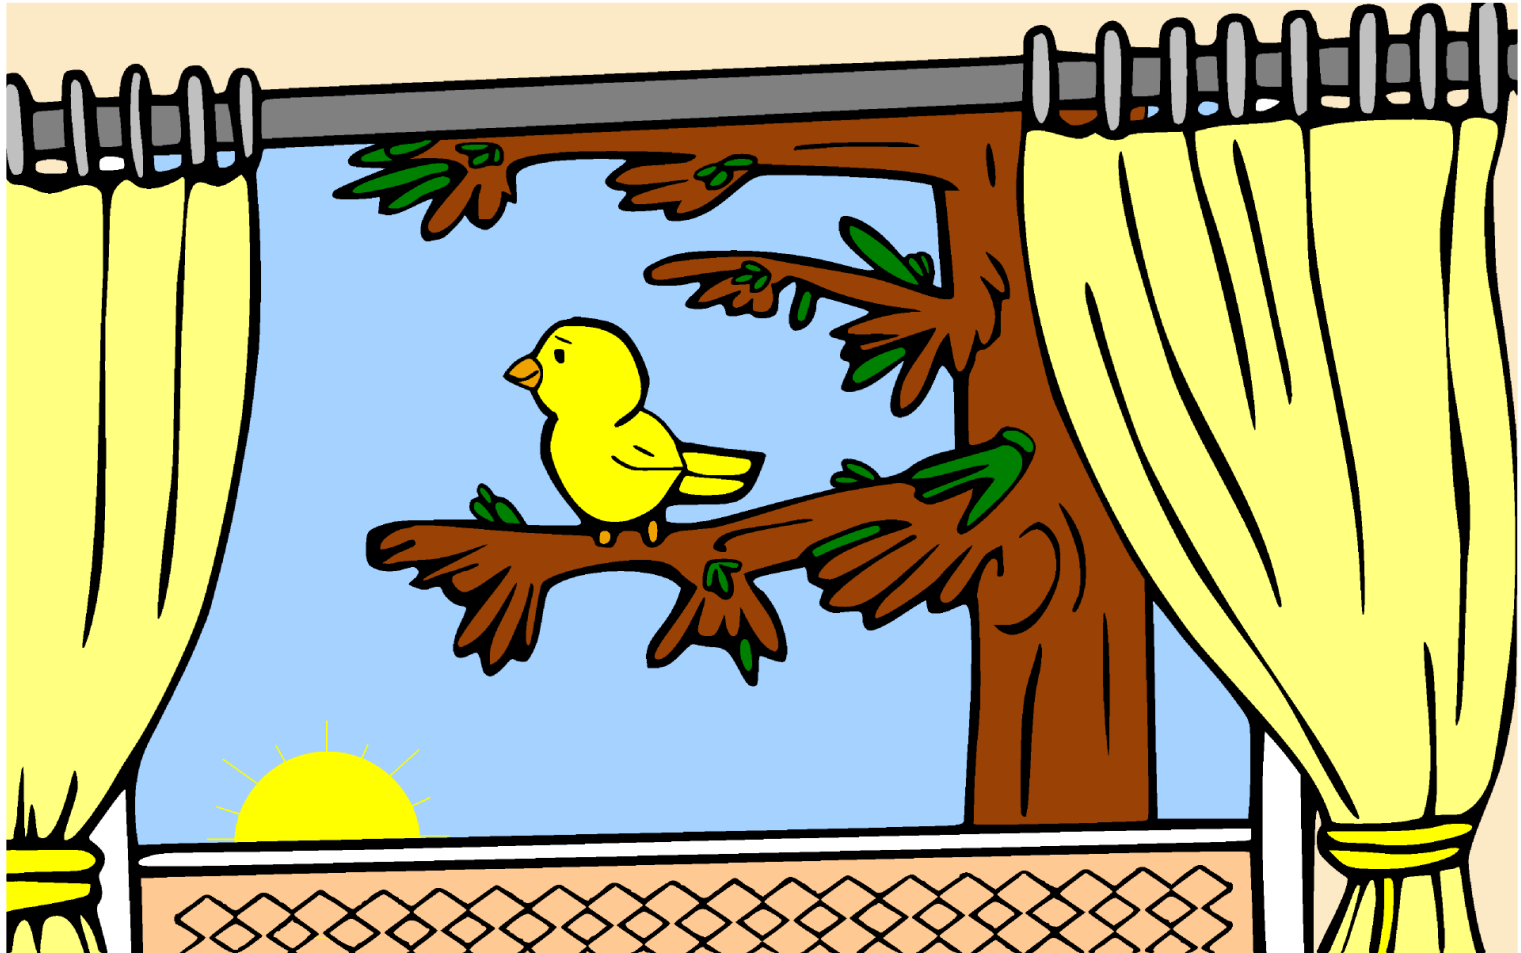

The stars were out the day was  
done

we almost went to sleep

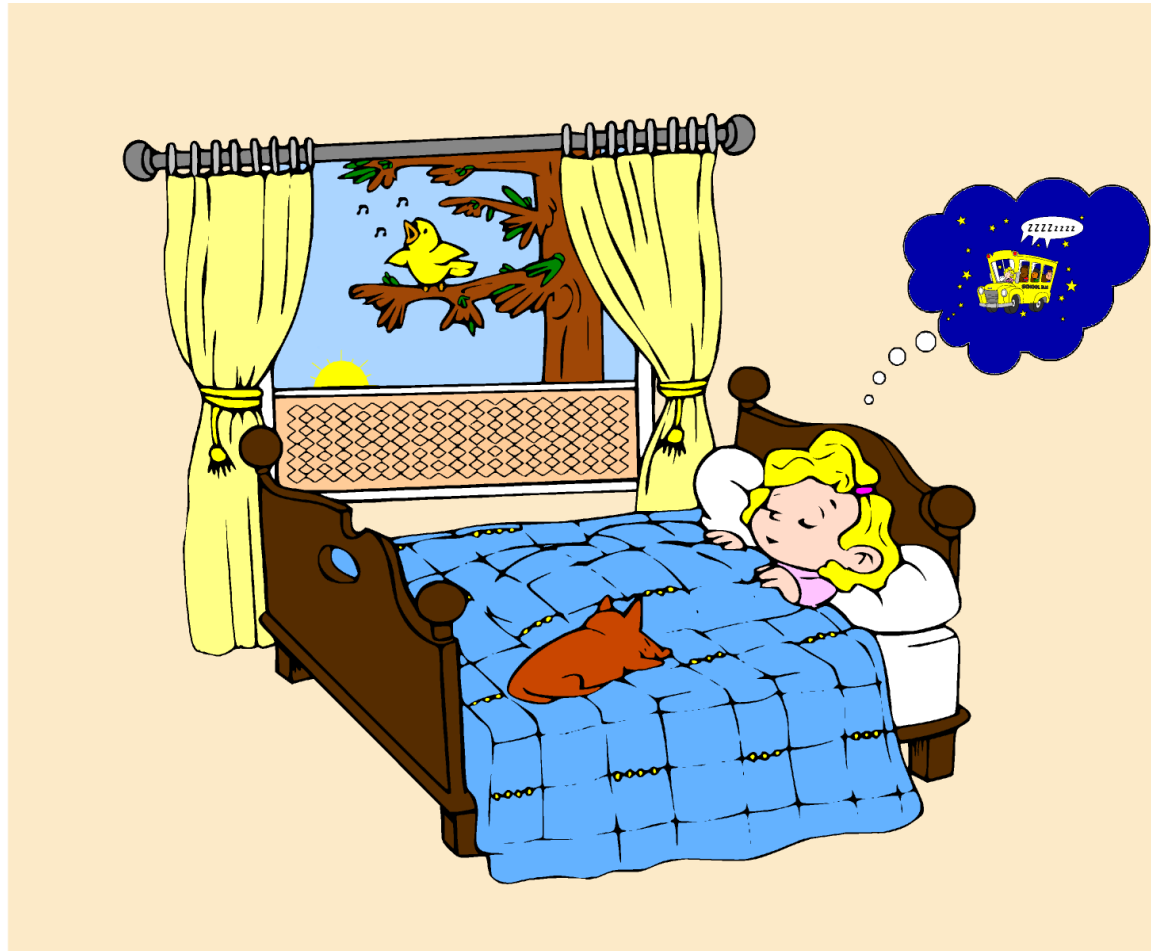

And then a yellow birdie that was  
sitting in a tree

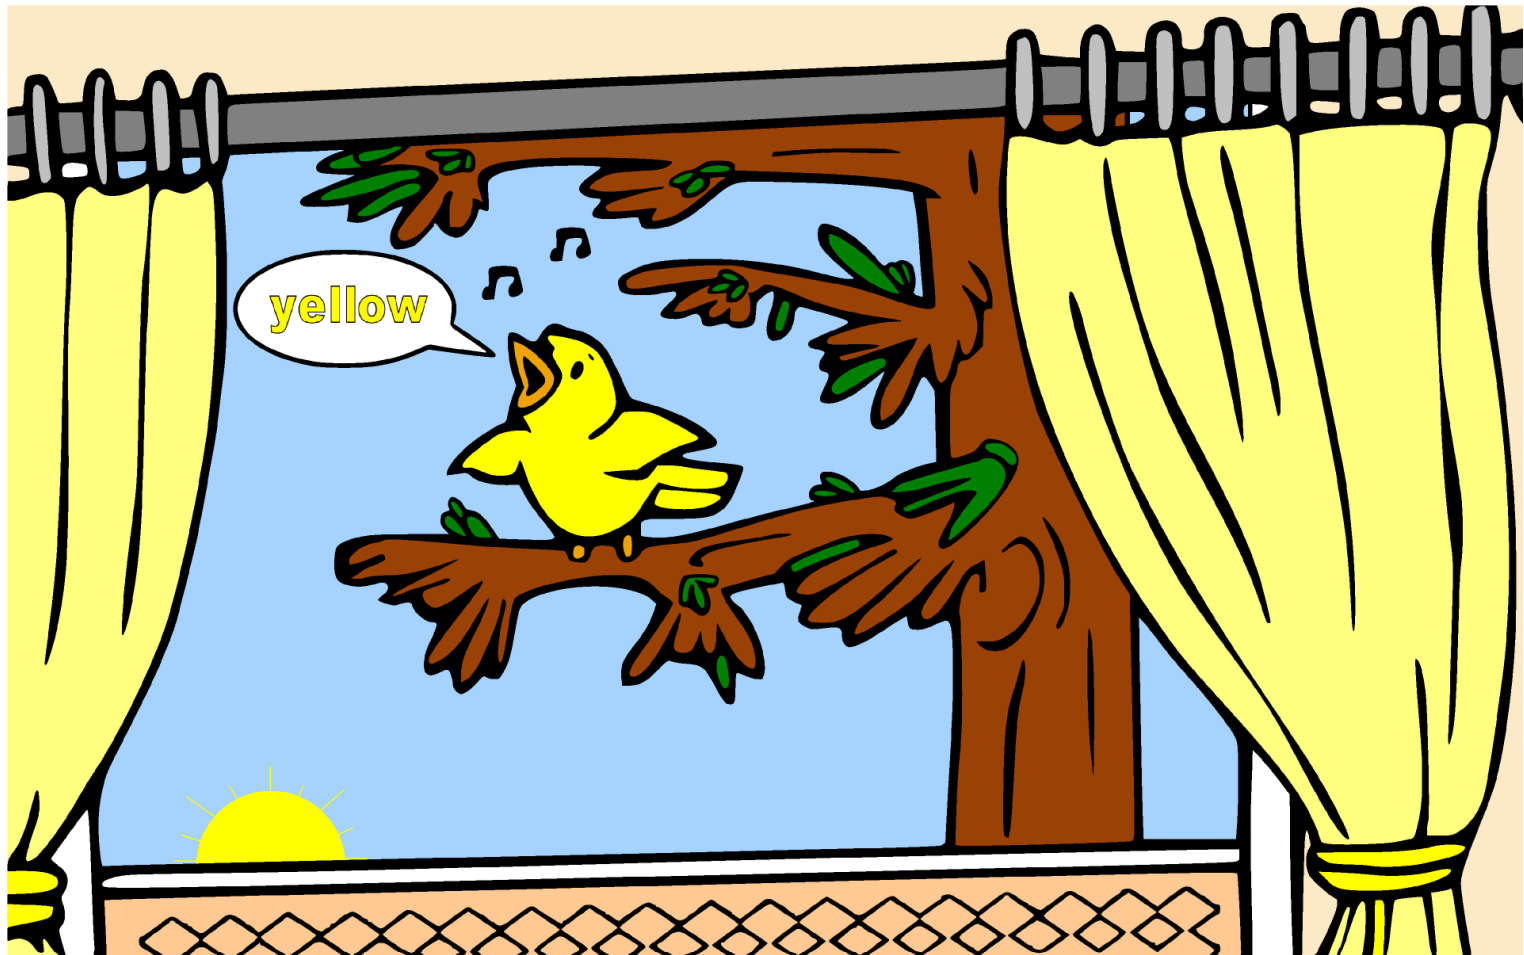

# She started singing
